The times listed below are not flexible. If you agree to help us you must do so in a cheerful and professional manner for the entire time or service hours will not be awarded for any of it. Students must keep in mind that we are asking for help because we have a need, not because students have a need for service hours in order to improve a grade. The spirit of volunteerism requires you to be an asset to your community. When volunteers fail to show up, abandon posts and leave early they directly harm the event they are supposed to be helping. When you volunteer at this event you are personally representing both your school or organization and the McLean Community Center.
