A New Harvest of Options Emerge...

The fall season is upon us! Fall is traditionally a season of harvest, and I am hoping it brings some much-needed good news on flattening the curve of the COVID-19 pandemic. I know we are all looking forward to that. In the meantime, we are continuing to do all we can to help.

Thankfully, our staff members have risen to the challenges we’re facing and have created some exciting virtual and in-person activities for the fall that will allow us to continue to be of service to you, our residents.

The Alden’s unique and successful summer program, Drive-Thru Drama, will return this fall with two new shows for family audiences. Our Special Events division has created another Scavenger Hunt for the fall and is also sponsoring virtual events, including McLean Uncorked, Pet Fest and our Holiday Art and Crafts Show. Our fall class offerings are being developed and expanded daily, as we work with our instructors to offer enjoyable and safe options for all ages. The Old Firehouse is taking it’s After School Club meetings online. And children can enjoy several hands-on activities like decorating pumpkins and gingerbread houses at home with the help of our Youth Events staff.

Please check our website and sign up for our weekly e-newsletter (https://bit.ly/2DGb8j5) to stay informed of new offerings as they become available.

To a healthy and happy fall season for all,

George Sachs
