

ONBOARDING INSTRUCTIONS

MISSION: MCLEAN

GETTING STARTED

1. You can only play **MISSION: MCLEAN** on a mobile device or a compatible tablet (like an iPad). Download the free **Goosechase** app from your app store.
2. Open the app and create a user account if you plan to play via multiple devices, or as a guest if your team plans to play on only one device.
3. Select "Join a Game" or on the magnifying glass icon and enter Game Code: **8ZP84K**. You can also enter **MISSION: MCLEAN** in the search box to select the game.
4. Click on **SELECT TEAM & JOIN GAME**.
5. When prompted, enter the case-sensitive game password and then create or join your team. Your game password is: **Community**
6. You're in the game! **HAVE FUN!**

TIPS FOR COMPLETING MISSIONS

1. Most missions require you to submit a photo/video. You can do so with the app or you can upload an existing photo/video from your device. If you don't like your submission, try again. Captions can/should be added when prompted or desired.
2. **VERY IMPORTANT:** If you normally keep your device set to silent, you'll need to change that while playing. For your recording to have audio, your phone must not be on silent. **Videos can be a maximum of 30 seconds.**

For any questions during the game, please email GameMaster@FMS.Events.

ONBOARDING INSTRUCTIONS

MISSION: MCLEAN

NAVIGATING THE APP BUTTONS

1. MISSIONS

With this button you will see all your available missions. Two tabs are at the top of the screen: *Remaining* and *Completed*. The *Remaining* tab will show the missions left to do and *Completed* shows the missions you have done.

About a third of the missions will be available from the beginning of the game. Approximately 10 additional missions will be released each week, so please keep checking back on your app on a regular basis!

2. FEED

This is where you will see all the other participants' (and your own) completed submissions. You can "LIKE" other submissions, and you are encouraged to do so.

3. RANKINGS

During the game, you will see how you rank versus against the other teams. Bonus points can move you up in the standings and are awarded for the best submissions! Prizes will be awarded by random selection at the end of the event; to be eligible, you must complete at least 30% of the missions, and at least 75% of the missions to be eligible for the top prizes.

4. NOTIFICATIONS

During the game, announcements will appear as in-app notifications, including newly released missions and information about MCC news, sponsors and prizes.

5. MY TEAM

Here you will see your submitted team name (your name) and you can upload a photo of yourself or even a logo, as well as how many points you've scored, and missions completed.
